Care team contact

For `Cardiff Parkinson's and movement disorders'

For emergency admissions, please contact the Parkinson's disease specialist nurse on 0292074xxxx or email xxx@xxx.wales.nhs.uk. For medical queries, please contact Dr Biju Mohamed or Dr. Chris Thomas. Out of hours, please contact the neurology specialist registrar or consultant for advice via UHW switchboard.

Parkinson's disease drug timings

Missing doses of Parkinson's medication increases care needs and can cause serious complications, including rare but potentially fatal neuroleptic-like malignant syndrome

DO NOT STOP PARKINSON'S MEDICATION.

For more information see [the Parkinson's UK guidance on the emergency management of patients with Parkinson's disease](#)
